Loa Outdoor Color-Select Ceiling Fan with Light By Kichler

Description

The Loa LED Outdoor Ceiling Fan brings a clean, modern look that will blend seamlessly into a variety of styles. Perfect for both indoor and outdoor, this large fan circulates air to create a desirable cooling effect in your area. Color temperature switch provides options to change light color between 3000K or 5000K during installation, to your preferred light level. The DC motor is lightweight, whisper quiet, and utilizes an internal transformer to convert input power, resulting in energy efficiency. Light cap for non-light use, 6-speed full function DC wall control, and hanger ball with 4.5 inch downrod included.
