Adorne Wired Wake / Sleep Smart Switch with Netatmo By Legrand Adorne

Description

The adorne Wired Smart Wake / Sleep Switch allows you to hardwire a 2-button switch dedicated to controlling your Wake / Sleep scenes configured in the Legrand Home + Control App. The switch must first be paired with a Smart Gateway with Netatmo (sold separately). Once paired with the gateway, you can add other Smart Lighting with Netatmo devices to your Wake/Sleep scenes that it is programmed to run. Position near a nightstand or the door of an en suite bathroom for convenient morning and nighttime control. Note: Required Smart Gateway with Netatmo sold separately. Compatible with Smart Home Platforms: Can be onboarded to Amazon Alexa, Google Home and Apple Home, as well as other smart home platforms for greater home integration. Complete the look with a screwless adorne wall plate, sold separately.
