Pipistrello Pop Table Lamp

By Martinelli Luce

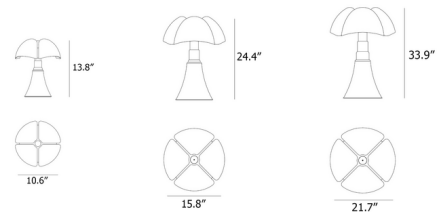

Description

The Pipistrello Pop Table Lamp is a modern take on an iconic mid-century design that will add a playful element to any interior. This special version of the Italian classic features a bold yellow finish and black accents, as well as a numbered plate and engraving of designer Gae Aulenti's signature. An opal white methacrylate shade recalls the look of a parasol or outstretched wings. The medium and large sizes have a telescoping stem that allows the height of the lamp to be adjusted. The small size retains the shape of the larger lamps but is not adjustable. Dimmer switch located on cord.
