Cobra 100 Table Lamp Anniversary Edition

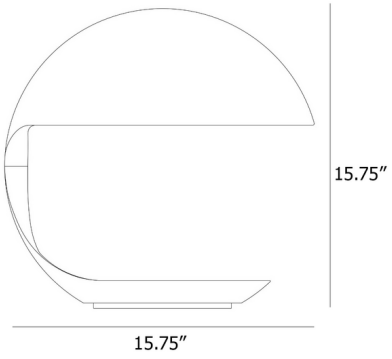

By Martinelli Luce

Description

The Cobra 100 Table Lamp is a special limited edition of Elio Martinelli's iconic mid-century design made in commemoration of Martinelli's 100th birthday. Cobra boasts a sleek look composed of two resin molded bodies connected by a central joint for a 360 rotation of the shade. When the shade is rotated outward, its shape is reminiscent of a cobra ready to strike.This edition of the Cobra Table Lamp is numbered and engraved with Martinelli's signature to indicate its limited, special run. A certificate of authenticity and an exclusive commemorative print of Cobra's original design, authenticated by Elio Martinelli's daughter and current Martinelli Luce president Emiliana Martinelli, are also included.
