## Calamus 100 Pendant

By Melogranoblu

### Description

Inspired by the cut reed writing implements of antiquity, the Calamus 100 Pendant explores heritage and design in a singular expression of light. Its elongated form echoes the refined shape of a stylus, using handblown ruled glass to create a sense of weightlessness. Ideal for creating intimate ambiance or refined architectural accents. Note: Pendant includes one internal 7W LED and one 3W LED downlight with a 10 degree lens.

Shown in dark grey / clear
