Calamus 136 Pendant

By Melogranoblu

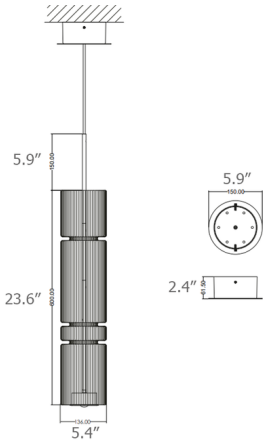

CE

Description

Inspired by the cut reed writing implements of antiquity, the Calamus 136 Pendant explores heritage and design in a singular expression of light. Its elongated form echoes the refined shape of a stylus, using handblown ruled glass to create a sense of weightlessness. Ideal for creating intimate ambiance or refined architectural accents. Note: Pendant includes one internal 7W LED and one 3W LED downlight with a 10 degree lens.
