Basil Wall Sconce

By Mitzi

Description

Designed to resemble a flower, the Basil Wall Sconce is simply a sweet sconce. In both its shaping and finish, the shade calls to mind a traditional bell. Flourishes of detail complement the design, with fresh scalloped edges and dynamic machined perforations. Featuring an easy-to-use on/off switch on the backplate, this petite wall fixture is a practical yet whimsical addition to a small space.

Shown in patina brass
