Christine Pendant

By Mitzi

Description

Like modern jewelry for a room, the Christine Pendant pairs subtle, yet special glass treatments with unusual looped chain details. The warmth of the champagne glass works in tandem with the curved shaping of the shade to create a gentle diffusion of light. Welded ring details shine above and below the glass, adding a decorative detail to the earring-like silhouette. Christine can be used solo or in multiples to create a welcoming mood.

Shown in aged brass / champagne
