Esmae Wall Sconce

By Mitzi

DAMP

Description

In the vein of mid-century Murano sconces, Esmae Wall Sconce's shell-shaped silhouette is a thing of beauty. The etched clear glass shade features fine-resolution ribbing that runs parallel to the form, curving inwards at the center. Two small spherical thumbscrews provide a glimpse of the Aged Brass hardware while keeping the focus on the translucent glass.

Shown in aged brass / etched glass
