Acacia Wall Sconce

By Mitzi

DAMP

Description

The Acacia Wall Sconce is playfully maximalist in form, yet tailored in materiality. The white linen shade has a sophisticated return on top, adding an unexpected twist to the pleated design. The shade is supported by a dramatic J-arm, which connects to a wooden backplate through a simple sphere detail. The dark wood's classic, heritage feel and contrasting color help visually separate the shade from the wall.

Shown in aged brass / white linen
