Natalia Wall Sconce

By Mitzi

Description

Inspired by the look of stone, the Natalia Wall Sconce has an organic, flexuous form with an all-over earthy ceramic Windy Dune finish. The soft, weathered texture brings the expressive shape to life, lending a found-object look. Equipped with two lights and Aged Brass inner hardware, this petite sconce serves as a unique wall washer that can be used in a variety of spaces.

Shown in aged brass / windy dune
