Enya Table Lamp

By Mitzi

Description

The delightful shape and natural materiality of the Enya Table Lamp make for an artisanal desk or bedside addition. The deep-hued Shadow Amphora glaze brings life to the compact, softly geometric base. The natural jute string shade adds texture to the piece, which would look right at home in coastal or bohemian interiors. Enya is finished with Aged Brass hardware, which is concealed within the shade. On/off switch located on socket.
