Bloom 3-Light Pendant Medley

By Nova of California

Description

Reimagining the elegance of lingerie-inspired design, the Bloom 3-Light Pendant Medley brings Mervyn Weitz's 1976 'Cloud' concept into a stunning multi-light pendant. Each pendant features a white satin shade stretched over a sculpted steel wire frame, diffusing soft, ambient light while showcasing graceful, organic forms. Suspended from a sleek black nickel canopy, the trio of pendants adds vertical drama and sophisticated fashion.
