Scalloped Arc Floor Lamp

By Nova of California

Description

The retro Scalloped Arc Floor Lamp features a graceful arching design, combining mid-century elegance with modern functionality. The scallop pleated shade adds a soft, vintage-inspired texture, casting a warm, diffused glow when illuminated. Its walnut wood column showcases rich, natural grain, tapered up from a sturdy base in weathered brass to suspend the shade overhead. Full range dimmer on column.

Shown in weathered brass / dark walnut / white
