Shado Wall Sconce

By SIN

Description

Captured in a moment of stillness, the Shado Wall Sconce embodies the weightless beauty of origami. The upward-turned curves direct light with intention, creating a soft glow across a wall. B>METALLIC GLAZE AGING AND VARIATIONThe Obsidian and Graphite glazes contain reactive metallic compounds that naturally oxidize, causing their hue and sheen to evolve over time. Expect soft mattifying, darker tones, or a gentle reduction in luster, beautiful changes that make each handmade piece uniquely alive. These subtle shifts are part of the glaze's natural character, not flaws.
