Shai Wall Sconce

By SIN

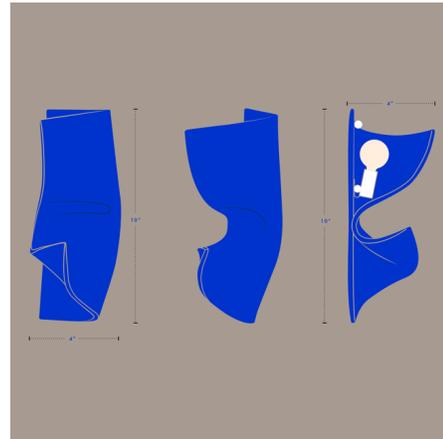

Description

Like the organic beauty of origami, the Shai Sconce exudes a structured weightlessness. Each fold and curve reflects a balance of complexity and ease, transforming the wall into a canvas of light and shadow. Use these to flank a bathroom mirror, add sculptural interest to a hallway, or provide a graceful accent beside a bed. Note: Must use a 4in x 2in junction box with holes for 6-32 set screws. METALLIC GLAZE AGING AND VARIATION The Obsidian and Graphite glazes contain reactive metallic compounds that naturally oxidize, causing their hue and sheen to evolve over time. Expect soft mattifying, darker tones, or a gentle reduction in luster, beautiful changes that make each handmade piece uniquely alive. These subtle shifts are part of the glaze's natural character, not flaws.
