# Gio Table Lamp

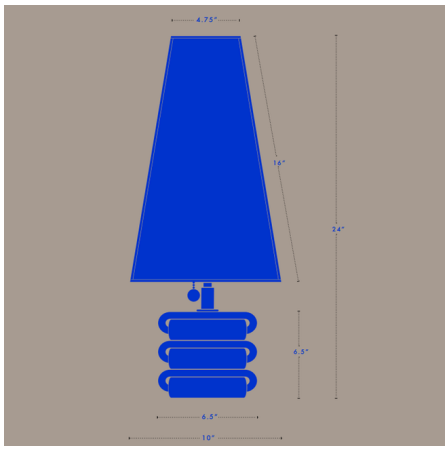

By SIN

## Description

Like ancient monolithic stone markers, the Gio Table Lamp fuses sculptural simplicity with celestial inspiration. A folded ceramic base pairs with a handcrafted Paper, Fabric, or French Parchment shade, creating a grounded yet airy glow. Bring timeless character to a nightstand, brighten a study desk, or anchor a styled bookshelf with this charming lamp. Brass on/off pull chain located on socket. METALLIC GLAZE AGING AND VARIATIONThe Obsidian and Graphite glazes contain reactive metallic compounds that naturally oxidize, causing their hue and sheen to evolve over time. Expect soft mattifying, darker tones, or a gentle reduction in luster, beautiful changes that make each handmade piece uniquely alive. These subtle shifts are part of the glaze's natural character, not flaws.
