Osen Tall Table Lamp

By SIN

Description

Drawing inspiration from ancient obelisks, the Osen Tall Table Lamp fuses simple geometry with soft illumination. The elegant ceramic base is topped with a handcrafted French parchment shade or a unique ceramic shade fitted with brass details. This timeless silhouette bridges past and present perfect for an entryway console, a modern nightstand, or a cozy living room corner. Includes a Tala LED bulb. On/Off pull chain located on lamp socket. METALLIC GLAZE AGING AND VARIATIONThe Obsidian and Graphite glazes contain reactive metallic compounds that naturally oxidize, causing their hue and sheen to evolve over time. Expect soft mattifying, darker tones, or a gentle reduction in luster, beautiful changes that make each handmade piece uniquely alive. These subtle shifts are part of the glaze's natural character, not flaws.
