Shayd Table Lamp

By SIN

Description

Inspired by the delicate beauty of origami, the Shayd Table Lamp gracefully twists inward to form a unique pleated silhouette. The shade is formed by the delicate folding of clay, creating a play of shadow and light, diffusing a glow that shifts as the form unfolds. Touch dimmer with 3 settings located on base. METALLIC GLAZE AGING AND VARIATION The Obsidian and Graphite glazes contain reactive metallic compounds that naturally oxidize, causing their hue and sheen to evolve over time. Expect soft mattifying, darker tones, or a gentle reduction in luster, beautiful changes that make each handmade piece uniquely alive. These subtle shifts are part of the glaze's natural character, not flaws.
