Paget Wall Sconce

By Troy Lighting

DAMP

Description

Inspired by the sculptural works of Stephen Antonson, the Paget Wall Sconce features a chalice-shaped iron silhouette with a tactile weathered finish. A bead-like sphere below the shade adds a decorative accent that melds with the rest of the design elements. The plaster-like texture and soft shaping of Paget create a dramatic uplight that feels both ancient and modern.

Shown in weathered white

Specifications
