Mailo Wall Sconce

By Troy Lighting

DAMP

Description

Inspired by vintage furniture, the Mailo Wall Sconce's complex woodworking techniques and exposed hardware elements put its construction at the center of the design. The white oak frame of each piece is complemented by Patina Brass accents and a matching cord that runs parallel to the arm. In its 1-light sconce format, Mailo swings from the backplate, making it an ideal bedside light that can be easily adjusted.
