Mailo Chandelier

By Troy Lighting

Description

Inspired by vintage furniture, the Mailo Chandelier's complex woodworking techniques and exposed hardware elements put its construction at the center of the design. The white oak frame of each piece is complemented by Patina Brass accents and a matching cord that runs parallel to the arm. The chandeliers feature sleek wooden arms, joined at mitered corners beneath the fixture to create a seamless look. The white linen shades add a finishing note of freshness to this modern family.
