## Ferrando Pendant By Troy Lighting

### Description

In its construction, silhouette, and materiality, the Ferrando Pendant makes a soft, organic statement. This pendant features a textural woven seagrass shade with a returned bottom edge that creates a diffused wash of light. Also wrapped in seagrass, the oversized top loop detail adds a graphic note to the floaty design. The neutral tones are accented by a touch of shine from Aged Brass hardware. NOTE: Due to the one-of-a-kind nature of the medium, exact colors and patterns may vary slightly from the image shown.

Shown in patina brass / seagrass
