Peel Smart Ceiling Fan with Color Select Light By Visual Comfort Fan

Description

The Peel Smart Ceiling Fan by Peter Bristol embodies its name with blades that seamlessly expand from the fan's housing, creating a clean finish. The simple LED light, like the center of a flower, peeks out gently from inside. Its color temperature (CCT) is also adjustable, to 2700K, 3000K, or 4000K using a switch on the included light kit. Finishing cap also included if light kit is unnecessary. Convenient operation with included handheld remote with 6-speed, reverse and dimmer functionality.

Shown in burnished brass / matte white / matte white
