By Visual Comfort Signature

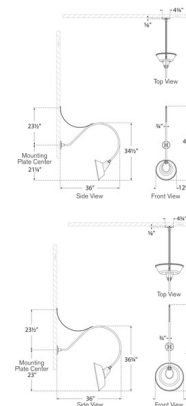

### Description

The Academy Outdoor Anchored Larrabee 36in Tilted Bowers Wall Light draws inspiration from the industrial fixtures once used to light barns, town halls, warehouses, and schoolhouses. Blending American, British, and French architectural influences. This fixture reimagines classic utilitarian design with a sleek, modern twist-adding a warm and welcoming glow to your outdoor space. A curved, rigid stability bar helps support the lamp and is placed 23.5 inches above the backplate.
