Atlas Ceiling Semi Flush Mount - Overstock By Marset

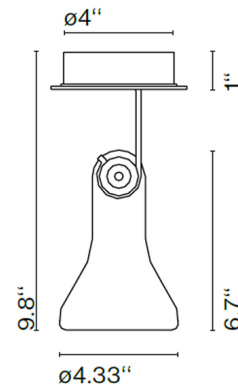

Description

Atlas Ceiling Semi Flush Mount transforms a common bulb into a spotlight, enveloping it following its outline. Taking its nudity as the starting point, it dresses the bulb up with a Transparent suit that also gives the lamp the added benefit of lightness. Adjustable head can direct light. A White canopy finishes off the simplistic look. NOTE: This is a discontinued model and limited to quantity on hand.

Shown in white / transparent
