FollowMe Cordless Table Lamp - Overstock By Marset

Description

The FollowMe Table Lamp is a portable and rechargeable table lamp that can be taken wherever you go. Because of its small, warm, and self-contained character, it is ideal both indoors and outdoor dry locations. It also works in restaurants and terraces that have no access to electrical outlets, or to replace candlelight. The oak or blue handle beckons you to pick it up. Compact and small, it almost looks like a personal accessory. With a swinging lampshade made of white polycarbonate, it boasts a fresh, luminous look. It features LED technology and a dimmer. The battery is built-in, and it has a USB port for recharging. One 3.2 watt LED module is included. NOTE: This is a discontinued model and limited to quantity on hand.
