## Tessera Ring Chandelier By Hammerton Studio

### Description

The Tessera Ring Chandelier brings jewelry inspired elegance to your interior space. A slender ring is adorned with tile motifs crafted from artisan cast crystal glass, using the 2,500-year-old art of glass mosaic tiling. The result is a stunning play of light that casts warm, shimmering shadows throughout your room. Note: Due to the weight of this fixture, additional ceiling support is required.
