Radiant Easy 3-Way Switch Kit

By Legrand Radiant

Description

The radiant Easy 3 Way Switch Kit easily adds control of a light or fixture from a second location, even in locations without 3-way wiring. To start, replace the existing light switch with the kit's radiant Switch (wired), then use the included battery powered radiant Wireless Switch to add another point of control. The Wireless Switch mounts to any wall or surface, without cutting, wiring or tools. The devices come pre-paired, letting you add multi-location control in seconds. Includes screwless wall plates. To add enhanced functionality simply add a Smart Gateway with Netatmo and use the Legrand Home + Away app for control from anywhere..and more.
