Radiant Easy Switched Outlet Kit

By Legrand Radiant

Description

The radiant Easy Switched Outlet Kit easily adds on-wall control of lamps or small appliances. The kit uses a wireless switch to easily add on-wall control of an outlet, then simply flip the switch to control a plugged-in lamp or small appliance. To start, replace an existing outlet with the kit's radiant 15A Outlet (wired). Then use the included battery-powered radiant Wireless Switch to add on-wall control wherever it is desired. The Wireless Switch mounts to any wall or surface, without cutting, wiring or tools. The devices come pre-paired, letting you add switch control in seconds. Includes screwless wall plate. To add enhanced functionality simply add a Smart Gateway with Netatmo and use the Legrand Home + Away app for control from anywhere..and more.
