Radiant Wired Home / Away Smart Switch with Netatmo

By Legrand Radiant

Description

The radiant Home/Away Wired Smart Switch with Netatmo technology allows for one-touch control with home and away lighting scenes. Allows you to hardwire a 2-button switch dedicated to controlling home/away scenes configured in the Legrand Home + Control app. Screwless wall plate included. Smart Gateway hub is required and sold separately. Once paired with the gateway, you can add other Smart Lighting with Netatmo devices to your Home/Away scenes that it is programmed to run. Coordinate with other switches and outlets, sold separately. Compatible with other smart products through Amazon Alexa, Google Home and Apple HomeKit, as well as with home automation systems.
