Tamper Resistant Kitchen Countertop Outlet

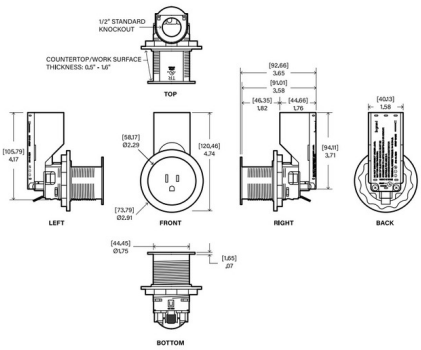

By Legrand Radiant

Description

The Kitchen Countertop Outlet is a code compliant tamper resistant solution for kitchen islands, peninsulas and bars in both residential and hospitality applications. It features a compact design and quick connection for easy installation in tight spaces. Surface-mount design with optional lid (sold separately) to easily blend in and keep clean. Tamper-resistant automatic shutter system prevents young children from inserting common household objects. Features invisi-shutters for an invisible effect. NOTE: Optional lid sold separately.
