Pose Wall Sconce

By Tom Dixon

Description

The Pose Wall Sconce is based on simple, conical forms for a playful, modern aesthetic. The lamp head features a flat lens to create a focused, magnified light beam inspired by lighthouses, traffic lights, and scientific instruments. An adjustable joint connecting the base to the shade provides flexibility to aim the light precisely where it is needed most. Compatible with Standard 120V, ELV, or Universal dimmers. 3-Step touch dimmer switch located on canopy.

Shown in putty
