## Whirl Multi Light Pendant

By Tom Dixon

### Description

The Whirl Multi Light Pendant is an experiment in mirrored reflections with a trio of hypnotically spiraling polycarbonate shades that produce a myriad of dazzling reflections. Inspired by the bold patterns of the Op Art movement, Whirl makes a strong statement in any space. Standard 120V and ELV dimmable. Note: The canopy ships undrilled, allowing for custom placement of the pendants. Holes for the cord to connect to the canopy must be drilled on-site during installation.

Shown in silver / silver whirl
