Clava Tripod Floor Lamp By Umage

Description

The Clava Tripod Floor Lamp will stand out as a sculptural piece in any space, featuring a round shade constructed of narrow wooden slats. Each slat is constructed from laser cut ash and oak veneer and is precisely arranged around the piece with expert craftsmanship. Light passing through the slats creates a dazzling display of light and shadow, and the shade is set atop a tripod base with thin legs for a sleek, modern look. On/off switch on cord.
