Cicla Stone Table Lamp

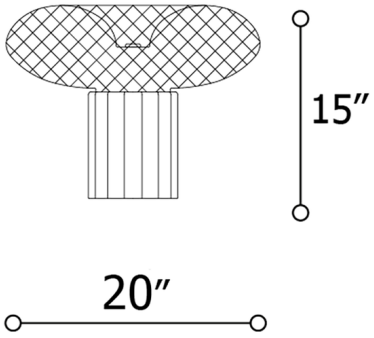

By Italamp

Description

The Cicla Stone Table Lamp offers an elegant look with its round blown glass diffuser accented with a diamond weave pattern. The textured glass creates a dazzling display of refracted light. The shade is supported by a faceted base made of Vincenza stone, a textural material with a warm hue and natural fossil sediments, and a metal finial in Chrome or Iron Gray finish adds an understated accent.

Shown in white / iron gray
