Teco Table Lamp

By Italamp

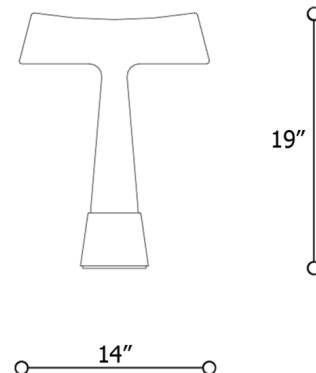

Description

The Teco Table Lamp features a glass shade and body with a metal base for a sleek, modern look. The glass body fades in color from white at the base to clear at the shade and is accented with a metallic Gold or Titanium color on top of the shade. The light source is located within the base of the lamp, illuminating the body from within for a unique lighting effect.

Shown in light gold / shaded white / gold
