Catena Grand Chandelier

By Visual Comfort Modern

Description

The Catena Grand Chandelier exudes luxury and sophistication. Solid crystal elements are linked together and brilliantly illuminated by integrated LEDs, creating a beautiful strand of light that is draped between two mounting points. Sloped ceiling to 45 degrees max. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish. Various driver and voltage options are available: Remote Driver, 277V: Includes a driver to be installed in an accessible remote location. 0-10V dimmable. Surface Driver, 120-277V: Includes a driver to be installed in the canopy. TRIAC or ELV dimmable. The remote and junction box driver options offer a minimal ceiling look due to the low-profile canopy. For the most minimal appearance, the optional mud-in canopy kit (sold separately) can be used with a remote or junction box driver option. Note: Due to the weight of this fixture, additional ceiling support is required.

Specifications

COLOR Crystal
BODY FINISH Bronze
WATTAGE 139.2W
DIMMER Low Voltage Electronic
DIMENSIONS 0.9"W x 483.4"H
INTEGRATED LED MODULE 1 x LED/139.2W/120V LED
COUNTRY OF ORIGIN China

Technical Information

COLOR RENDERING 90 CRI
LAMP COLOR 2700K
