Berenice 17+17 Table Lamp - Floor Model

By Luceplan

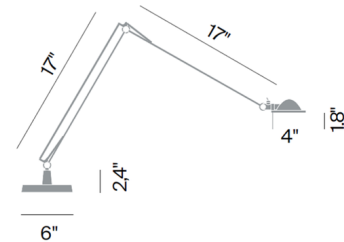

Description

The Berenice 17+17 Table Lamp is a light that allows for easy directional orientation in space. Reflector shown in image sold separately. Structure and base finish in Aluminum. The fluid movement of the jointed arms and the 360 degree rotation of the head make it possible to adjust the direction of the beam. Poised on a sturdy, stable base, Berenice adapts to any situation with versatility and precision. Includes 6 inch base and cord and plug with electronic transformer. On/off switch on head. UL listed. Required reflector sold separately.

Shown in aluminum
