## Norene Demetria Bench - Overstock By Currey and Company

## Description

The Norene Demetria Bench is made of Mindi wood in a fog gray finish that matches the darker tones in the nubby upholstery fabric. The raised white lines bring a textural feel to the seat, as does the way the wood grain shows through the finish that lightens the material so beautifully. Special attributes about the design of this gray bench are the bobbin, or spool, ornamentations that are intermittently placed from the seat rail to the bottom shelf, and the added storage area this creates. NOTE: This is a discontinued model and limited to quantity on hand.

Shown in fog gray
