## Trace Free Fall Pendant - Lightology Exclusive By CTO Lighting

 $\epsilon$ 

## Description

The Trace Free Fall Pendant offers a large-scale design that will bring ethereal lighting and a sculptural presence to any interior. The pendant is composed of curved segments arranged in a cascading formation with space between each section to create an open, airy aesthetic. Cast glass tips house integrated LED light sources to provide warm, diffused light. Trailing Edge / Phase cut dimmable.

Shown in antique bronze
