Trace Linear Pendant - Lightology Exclusive By CTO Lighting

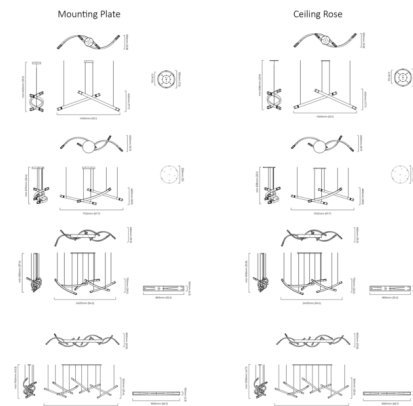

Description

The Trace Linear Pendant offers a large-scale design that will bring ethereal lighting and a sculptural presence to any interior. The pendant is composed of curved segments arranged in a linear formation with space between each section to create an open, airy aesthetic. Cast glass tips house integrated LED light sources to provide warm, diffused light. Available with a Ceiling Rose canopy which houses the driver, or flush Mounting Plate canopy for remote driver. Trailing Edge / Phase cut dimmable.
