Lyra Wall Sconce By Et2

## Description

Named for the Greek constellation associated with music and harmony, the Lyra Wall Sconce strikes a poetic balance between sculpture and light. Crescent-shaped cast glass, swirled in clear and white, is cradled in golden rings to evoke weightlessness. Rhythmic and refined, Lyra's composition echoes the curve of a lyre--ideal for stairwells and double-height spaces seeking a statement of modern minimalism and mythic beauty.

Shown in gold / clear swirl
