## Lyra Single Pendant

By Et2

### Description

Named for the Greek constellation associated with music and harmony, the Lyra Single Pendant strikes a poetic balance between sculpture and light. Crescent-shaped cast glass, swirled in clear and white, is cradled in golden rings and suspended by slender black cables to evoke weightlessness. Rhythmic and refined, Lyra's composition echoes the curve of a lyre-- ideal for stairwells and double-height spaces seeking a statement of modern minimalism and mythic beauty.
