Soji Chandelier

By Et2

Description

Drawing from the purity and grace of traditional Japanese lanterns, the Soji Chandelier evokes a quiet sophistication through timeless form and thoughtful contrast. Sculpted glass diffuses a warm, inviting glow while suspended within bold two-tone frames of Gold and Black. Each piece embodies a soft contemporary aesthetic that resonates across interiors -- minimal yet impactful, refined yet approachable. Soji's expanded range offers design versatility for architectural spaces, layered lighting plans, and modern living environments seeking serene illumination with sculptural presence.
