Timberline Table Lamp

By Gubi

Description

The Timberline Table Lamp is a sculptural masterpiece that combines playful expression and a sinuous organic form. This scaled down version remains faithful to Mads Caprani's original floor lamp design from the 1970s. The lamp's carefully considered design, such as the inset cord and adjustable direction shade, is a testament to Caprani's attention to quality and detail. The natural materials of oak, birch, canvas, and cast iron, and the neutral color palette, make it complementary to any style of interior. The Timberline Table Lamp is a timeless piece of design that will add a touch of elegance and sophistication to any room. Whether you're looking for a statement piece to anchor your living room or a functional lamp to illuminate your workspace, the Timberline Table Lamp is sure to impress.
