Aella Openworked Table Lamp

By Leucos

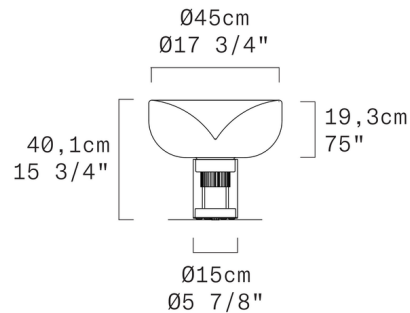

Description

The Aella Openworked Special Edition Table Lamp is inspired by high-end Swiss watches, where the beauty and complexity of the mechanics are exposed rather than hidden. Aella is the 'whirlwind' embodied by the dynamic movement captured in its handblown glass diffuser. Emanating from a single point, an evanescent light cone grows to create sinuous patterns and harmonic reflections. Dimmer on cord.

Shown in anodized aluminum / transparent / white spot
