Aurelia Wall Sconce

By Maxim Lighting

Description

Rooted in ancient artistry and shaped for modern spaces, the Aurelia Wall Sconce is a study in timeworn opulence. Each globe pendant is formed from etched metal with a soft, tactile finish that evokes handcrafted metalwork. Finished in a warm brass tone, the shade conceals the light source entirely, casting a gentle, ambient glow that radiates from within. Aurelia brings a timeless, sculptural presence to any interior.
