Draughtsman Wall Sconce By Maxim Lighting

Description

Inspired by the precision and artistry of classic millwork, the Draughtsman Wall Sconce fuses refined materials with a tailored silhouette to deliver an elevated lighting solution rooted in craftsmanship. Sculpted wood panels form an open cylindrical frame, flared slightly at the base for a gentle curve that evokes artisan joinery. A glass diffuser softly disperses light downward, grounding the form with warmth and clarity.

Shown in black/walnut/satin white
