Finch Double Wall Sconce

By Maxim Lighting

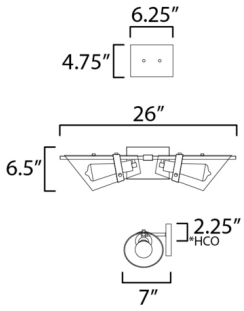

DAMP

Description

Architectural and effortlessly striking, the Finch Double Wall Sconce reimagines classic forms through a modern lens. Tapered cones of clear seedy glass are precision-cut on a diagonal slant, creating dynamic lines that shift with perspective. The framework is accented with subtle Antique Brass fasteners, grounding the design with a warm, tailored contrast. Finch brings visual movement and sculptural presence to transitional and contemporary spaces alike.

Shown in dark bronze / antique brass / clear seedy

*Height from center of outlet to the top of the fixture
